Sub:- CIVIL SUPPLIES - Drugs Control Order 1943 - Bellary District - Application for A and B licences by the Co-operative Society, Hospet - Grant - Requested.

P T O (H)

I submit herewith an application from the Co-operative Stores, Hospet, for licences in Forms A and B under the Drugs Control Order 1943. The Co-operative Stores has been dealing in Ayrvedic medicines continously and throughout the years 1941, 1942 and 1943 and in the controlled drugs from the year 1943.

A

2. Hospet is a Municipal Town where there are three licensed dealers in 'Durgs'. Of these three, two are petty dealers only with very little stock of medicines. The other is a big and prominent merchant in drugs, but there has been a general complaint against him from the public that he has been given to all sort of malpractices. During his visit to Hospet, the Deputy Commissioner of Civil Supplies noticed that the merchant had been charging excessive rates on the plea of refusing to sell. The Collector, Bellary has been addressed to prosecute him under Hoarding and Profiteering Prevention Ordinance 1943, for making unreasonable profit. Hospet town is therefore in need of a good "Drugs Shop" which can meet the demand of the public.

3. As the intention of the Co-operative Stores is to help the public in the proper supply of Drugs and as it is prepared to invest some thousands in the purchase of drugs. I recommend that licences in form A and B may be granted to the Co-operative Stores as a special case.

5. A list of

5. A list of companies with ~~xxx~~ which the Co-operative Stores has transacted business previously an. also the drugs purchased is enclosed. The stores has credited the necessary license fee of Rs.20/- in Challan Number 468/ D. ted 19-5-1944 of Hospet Sub-Treasury.
